

Dear Pastor or Youth Pastor,

We are so excited to invite the children and youth of your congregation to Camp Judah!

Junior Camp is held at the end of June Senior Camp is held mid-August at Camp Hickory Hill in Varysburg, NY. As you know, a dedicated team of staff is vital for an effective summer youth camp. We are asking you to prayerfully approach some of your people to come and serve among us at Camp Judah. Our primary need is for counselors who will work in a small group of 8 to 12 campers throughout the week. All staff are to arrive a day early for orientation, training and prayer together. We just need a staff application as well as the required health from – both easily obtainable at www.campjudah.net. Once again this year, in an effort to answer safety concerns, we have written a special letter for parents who are considering sending their children to Camp Judah this summer. You may locate that letter on the website as well.

Special Offer! We have found that the most effective advertising for Camp Judah comes through the testimonies of former campers who enthusiastically share their experiences with friends and relatives. We are pleased to offer a special incentive program to former campers who invite and bring brand new campers to camp! Please take time to look at the “SPECIAL DEAL” located on our website.

A Day in the Life of Camp Judah! We are pleased to offer a special invitation to Pastors, Youth Pastors and Children’s Ministry leaders who would like to experience a day at Camp Judah for themselves. We invite you to come on the Wednesday of our camp week, at our expense, to enjoy first hand, the fun, the food and the ministry of Camp Judah. If you are interested in accepting this invitation, please call our office one month prior to the onset of the camp you wish to visit so that we can make the necessary arrangements and give you more specific information.

A few reminders for all your campers and staff members:

- 1) It is vital that all medical information is accurately provided prior to camp.
- 2) For each parent or grandparent that serves on staff, there is a one time, \$40.00 registration discount for one of their own children or grandchildren at either Junior or Senior Camp within the same season.
- 3) Children of full-time pastors may receive a \$55.00 discount off the current registration price at the moment of registration. If you choose to use this discount, please make reference to it on your child’s registration form.
- 4) We are able to offer a special discount for children of full time missionaries who serve on the foreign field. Please contact us for further details.

Blessed to serve you!
